

**KQKI-FM
OUTREACH EFFORTS**

Although the EEO recruitment rules that the Commission implemented in 2000 were suspended the following year, Station KQKI-FM has continued to strive for broad and inclusive outreach since that time. Examples of the efforts made by the station include participating in a regional career day, participating in a job bank program of the Louisiana Department of Labor and having Station department heads and the general manager attend training seminars to improve or acquire new job skills.

For additional information concerning the outreach efforts undertaken by station, see the attached EEO Public File Report.

Since the current EEO rules went into effect on March 10, 2003, the station has experienced no notable difficulties in our outreach efforts as of the date of this application.
